

Privacy Policy

This Statement of Privacy applies to the Shufu Judo Yudanshakai Web site and governs data collection and usage. By using the Shufu Judo Yudanshakai website, you consent to the data practices described in this statement.

Shufu Judo Yudanshakai will not share your personal information with any 3rd parties without your permission with the exception of payment processing.

If you have any questions about the Policy, please contact us as set out at “Contact Information” below.

Personal Information

When you visit and interact with the Site, you may provide us with various types of Personal Information. The following categories of Personal Information may be collected:

- **Financial Data** (including payment information, such as credit card number and expiration date)
- **Legal Data** as needed by third party applications (including social security number, or other data requested)
- **General Data** (including comments, photos, and other user-generated content posted on our Site, correspondence and other information that you send to us)

Usage Information

When you access and use the Site, information as to how the Site is used and accessed may be automatically collected by us or third party providers through the use of various technologies that automatically collect information (“Usage Information”). Usage Information generally does not contain personal information, and may include, among other things IP addresses or unique device identifier, browser settings, internet service provider (ISP) information, sites you visited before/after visiting the Site, operating systems, date/time stamps, and clickstream data, pages you view and links you click on within the Site, information collected through cookies and web beacons, and information about your interactions with e-mail messages.

The Site may use such information to understand the types of visitors who use the Site, provide fraud and opt-in verification for merchant protection, analyze Site traffic, or to analyze problems or maintenance concerns with our server, administer our Site, or to enhance your user experience with the Site. Such Usage Information may also be shared with business partners, affiliates, or advertisers on an anonymous basis.
