

Senior Development Committee

May 2017-05-18

As you know I cannot attend due to previously scheduled obligation. Items 4 and 5 are on the agenda at my request.

As to Senior Development , A 5th dan is coming last week of August and first two weeks of September to Georgetown, Washington Judo Club. She is 100 kg plus and was 2015 All Japan Champion and second in plus 78 World championships. Will send out formal announcement in near future. Will open doors for people to train with her and also may be able to do a clinic if her schedule allows. She is from Tokai.
