

## Coaching Committee Summary

1. We thank Senseis Sergeant Major and Maisha Mayfield for continuing the online Coach Introduction Course as we just recently received an additional \$93.50 check
2. We specifically thank Brian Greene as our 1st Shufu online Certified Regional Coach. He did this certificate solely due to his support for Shufu Judo Yudanshakai.
3. I was honored to have coached Ernest Ojito at the Cancun Veteran World Championships and congratulate Tico and Adam Moyerman on their Bronze metals. I now ask for volunteer coaches to implement coaches for competitors, understanding they make have to contribute their time and money and their expertise. This is a program I would like to start matching up coaches with competitors willing to travel. It is my hope that a longer term mentoring and mutual personal growth develops.
