USJF Medical Committee - COVID Update 10/2022

Effective immediately, the following shall apply to all USJF Dojos and all USJF events, local and national:

Testing:

- 1. USJF events will follow jurisdictional COVID-19 guidelines provided by the local/state health department and/or appropriate government entities
- 2. COVID testing is not a requirement from the USJF national office
- 3. Testing may be required at the discretion of the event medical director, depending on local conditions
- 4. International competitors from outside the United States will need to follow COVID-19 Testing and other protocols as required by the US State Department/CDC.

Vaccinations:

1. There is no COVID-19 vaccine requirement for athletes, referees, staff, vendors, or spectators. <u>However, COVID-19 vaccines are highly encouraged.</u>

Masking:

- 1. Masking should follow local/state health department guidelines
- 2. There is no masking requirement from the USJF national office

Symptom Screening:

- 1. Symptoms screening, visitor logs, or temperature checks are not required
- 2. Symptom screening may be performed at the discretion of the head sensei, or event medical director
- 3. Individuals actively experiencing symptoms including fever, cough, sore throat, and fatigue should not practice/participate

Hygiene:

- 1. Continue to sanitize/wash hands frequently
- 2. Clean mats and equipment regularly

Returning to Activity after COVID Infection:

- 1. Members who were asymptomatic or had mild symptoms may return to activity on a gradual basis after an appropriate period of isolation. Please visit the CDC website for isolation guidelines:
 - https://www.cdc.gov/coronavirus/2019-ncov/your-health/isolation.html [cdc.gov]
- 2. Members who require hospitalization or experience new or prolonged cardiopulmonary symptoms should consult with their personal physician BEFORE returning to activity
- 3. If you have any questions or concerns, please consult your personal physician
