

Shufu Athlete Funding Committee Report  
Date: Nov 4, 2018

Committee Members:

Robert Hunt, Chair  
Chris Grunberg  
Rob Winston

Committee Transitions:

The Athlete Funding Committee successfully completed transitioning the duties of the committee chair. We would like to thank Brad Lewis for ensuring a smooth transition by meeting with the incoming Chair to discuss procedures, working to confirm all files were transferred over, and answering all questions which arose during the transition. We also welcomed Rob Winston to the Athlete Funding Committee since the last report. The Athlete Funding Committee is fully up and running.

Funding Actions:

The committee began 2018 with a balance of \$1,972. We have funded 3 of 8 athlete funding requests which were received in 2018. The major reason for funding requests being denied was not meeting the requirement of being a member of Shufu for the current and previous year. We ended this reporting period with a balance of \$1,222. Tournaments funded included the Kata Pan American Championships and the US Open. There are no outstanding funding requests.
