Subject: Upcoming USJF Teacher's Certification Clinic

There will be a USJF Teacher Certification Clinic held on Sunday, May 19, 2019 at Pure Performance, 4898 Bolling Brook Pkwy, Rockville, Maryland 20852. This certification is restricted to brown and black belts only, who teach or assist with teaching in the dojo. Due to the structure and intensity of the of this all day training we regret only a specific number of participants will be accepted for teacher certification based on the number of USJF Master Instructors.

The information flyer and registration form will be posted on the Shufu Judo Yudanshakai website <http://www.shufujudo.org> in the near future. At this time we are working on obtaining a USJF sanction. Once it's posted on the website, the completed registration form and \$125.00 fee made out to "Shufu Judo Yudanshakai" should be forwarded to Michael Landstreet by Friday April 12, 2019 as stated in the information flyer. Those who are seriously interested in obtaining this certification should notify Michael Landstreet at mwljudo@msn.com. In the meantime. assure the certifications in SafeSport, Heads Up Concussion, a current USJF background screening, first aid and CPR are completed as soon as possible to be issued your teacher certificate. Go to <http://www.usjf.com> to obtain the specific links to get these certifications.

We on the Teacher's Certification Committee thank you for your interest.
